Exchange Your Liberty Bonds

The government has informed us that it will commence exchanging permanent Liberty Loan Bonds for the Temporary Liberty Loan Bonds on May 1st. We will exchange all bonds for which we have issued our safe-keeping receipts but those bonds which are in private safety deposit boxes should be turned over to us for exchange. All Second Liberty Loan Bonds should be turned over to us not later than May 10th. The permanent Liberty Loan Bonds will have all interest coupons attached to the date of the maturity of the bond.

We will make no charge for this service.

The Secret of a Superlative Tire

The whole question of a super-tire is a matter of principles. For there is nothing exclusive in the industry. No patents, no secret formulas prevent a conscientious maker from building the best.

But cost and competition modify ideals. The Brunswick idea is to pay perfection's price and get it.

That has been the Brunswick policy since 1845. And it accounts for the growing preference for Brunswick Tires. Motorists expect the utmost from a tire bearing the name of Brunswick—and get it.

You, too, will be convinced by your first Brunswick, that here is an extraordinary tire, and that more money cannot buy a better.

Better tires of their type are impossible—or better tubes. That we guarantee.

Try ONE Brunswick—learn how it excels.

Electric Ranges Revolutionized Cookery

From the time that our forefathers cooked over open fireplaces, improvements in the methods of cooking have been devised. This progress has been constant until today we have perfected the electric range.

Cooking has been work—hard, unpleasant work, attended by inconvenience, uncertainty, loss of time, uncleanness, waste and risk.

But those conditions have been supplanted in thousands of homes by the cheery, bright and easy way of cooking—the way of the electric range.

And—but we will wait until you call, for there are many things you'll want to know about the splendid ranges. And remember we also have a full line of electrical appliances.
